

J. MORRISON, PIONEER DIES AT VICTORIA

Mr. John Morrison, early resident of the Crossfield district, passed away at his home in Victoria, B.C., on Saturday, February 14.

He leaves besides his wife, Elizabeth at the family residence, one brother in Auckland, New Zealand, three brothers in Scotland, a nephew Jack Morrison of Vancouver, and a large circle of friends on the prairies and at the coast.

Mr. and Mrs. Morrison came to Crossfield in 1906 and took up farming west of town where they resided until 1934, when they moved to Victoria.

Mr. Morrison was a lover of nature and his upright and just character demanded the respect of all who knew him.

Rev. T. H. McAllister conducted the funeral services on the afternoon of Feb. 18. Mrs. F. Holmes sang "Beautiful Isle of Somewhere" at the service. The numerous and lovely floral tributes showed the esteem in which Mr. Morrison was held.

A memorial service was conducted the following Sunday by Rev. McAllister in the Gorge Presbyterian Church and by request Mr. P. Park sang the memorial solo, "Going Home".

PLAY WITH ACME IN PROVINCIAL MIDGET SERIES

Don Stevens and Cameron Carmichael, star forwards of the Crossfield high school hockey team, were conscripted by the Acme Midgets to bolster that team for the provincial midget playdowns. The team lost to Calgary Royals on Sunday at Acme and again to the same on Monday at Calgary, knocking Acme out of the series.

OKOTOKS TAKES XPFIELD, 11-8

Okotoks high school defeated the Crossfield team Friday night at Crossfield by an 11-8 score. The local team was reinforced with four Acme players.

given by Councillor A. M. Wygie on the Municipal Convention at Edmonton in November, and by Weed Inspector E. M. Chrisfield on the weed situation in this municipality.

The meeting passed a vote of thanks to all officials for the excellent showing made in 1941.

UP TO PRESS TIME THURS. DAY, CROSSFIELD DISTRICT CITIZENS HAD SUBSCRIBED

\$42,150

OF THE \$49,000 OBJECTIVE.

Local Woman's Novel Scheme Aids Loan Drive

Mrs. E. Walker of Crossfield has probably the most unique scheme in all of Canada to help the country on its way to victory. With an objective set at \$100, two Victory Bonds, Mrs. Walker is selling chances at \$1 each on the bonds. Only fifty tickets are being sold on each.

First of the two bonds has already been fully subscribed and sale was confined only to the ladies of the district. Mrs. Walker expects to hold the draw for the first sometime at the weekend to determine the winner. The second will be general and tickets available to all who wish to buy.

Mrs. Walker got her idea from speaking to several persons who were heartily in favor of buying bonds but whose means made it absolutely impossible. She realized that at \$1, fifty persons would stand the chance to get the bond they desired and at the same time would swell the district's total.

NEW AGENT APPOINTED

Norris Nelson, formerly of Pembold, has been appointed by the Alberta Pacific Grain company to fill the vacancy as agent in Crossfield which will be left when Mr. M. N. Jones leaves at the end of the month to take up farming in the Cremona district. Mr. Nelson has had wide experience in the grain business. He spent some time in the Canadian Army but was honorably discharged for medical reasons.

Beaver Dam Elections On Saturday

The annual meeting of the Municipal District of Beaver Dam, No. 281, was held in the hall at Dog Pound on Saturday, with Returning Officer J. H. Havens as chairman.

The minutes of the 1941 annual meeting, auditor's report and financial statement for 1941 were all adopted.

The meeting approved the action of the delegates to the municipal district convention at Edmonton in November, in supporting the resolution passed at that convention: That before larger municipal districts are formed the ratepayers of the areas affected should be given a chance to vote on the question.

An election is necessary in one Division only and will be held in the Dog Pound hall on Saturday, Feb. 28. Division Two will then choose between E. Beddoes and O. T. Swanby. James Watt was the only candidate nominated in Division Three and he was declared elected.

HIGH SCHOOL CURLING BEGINS

Nine rinks formed by the high school at Crossfield, are holding a three-day bonspiel beginning Thursday night and running Friday afternoon and all day on Saturday.

Holders of the Rosebud High School Hockey League title since 1939, the Crossfield pucksters have again come through with flying colors by winning the five-team league this season. They are big favorites to take the playdowns, too, which begin Friday night when they meet Carstairs at Carstairs.

Although Olds and Crossfield tied in wins, losses and points, the local team won the league with a greater goal average than the up-line team. Crossfield's average was 3 against Olds' 1.

Playdowns

Playdowns will be on the two-game total score basis, and will begin Friday night. On Tuesday night Crossfield will again play Carstairs on their home ice. A feature of this game will be the War Savings Certificate door prize—every adult ticket purchased for the game being worth one chance.

Bang-up hockey carried the boys through to their win, but they gave much of the credit to D. C. Adams of the high school staff, who has been working with the boys throughout the season.

Line-up of the Crossfield outfit is: goal, L. Johnson; defence, A. Sharp, D. Hoover and E. Butler; forwards, C. Carmichael, D. Stevens, J. Stevens, L. Hopper, N. Patmore and R. Bills; rover, M. Patmore.

Order of National War Labour Board
to Employers and Employees:

An employer who was not paying his employees a cost of living bonus prior to February 15, 1942, may not start to pay such a bonus on or after that date, nor may an employer who has been paying such a bonus now increase it unless he has specific permission from a War Labour Board.

Whether in the future a bonus may be paid or changed in amount will depend on the National War Labour Board's announcement in May 1942, with respect to any change in the cost of living index between October 1941, and April 1942, unless in a particular case a War Labour Board has given specific permission to do otherwise.

Everett Bills Brings Thoughts Of Americans' Viewpoints

Mr. Everett Bills, prominent farmer and aggressive business man of Crossfield, returned on Friday from a month spent in California and brought back with him many of the prevailing thoughts in the Pacific Northwest.

Mr. Bills spoke of the intensity of war industries in the major western U.S. cities which he visited and said the American people are all-out for the war effort. One of the major topics of San Franciscans, he said, was the forecasting of intense bombing of that city by the Japanese within the month; and in the case of an invasion by the Yellow Peril of North America, he said, the Americans look for it from Alaska south through Alberta, this being the shortest route and allowing ground communications for the invader.

Everett remarked that many persons had asked him during his visit of the advisability of conscription of manpower in Canada for overseas service. To this question, Mr. Bills said, he always gave the same answer: That this country has not the number of men available to safely send many more away from her shores. We must, he said, now that the war is at Canada's front and back door, remember that we are just as open to invasion as countries which have already been attacked and subjugated. Mr. Bills says he is fully in favor of conscription of manpower for Canada's defence at home, but if this is done, an

we must be kept to the farm as not to cause any great shortage of farm labor than is now evident.

Mr. Bills made the trip to Van Nuys, Calif., to visit his parents. Mr. and Mrs. Douglas Bills, who were former residents of the Crossfield district. For the interest of old friends of the pioneer couple, Mr. Bills says they are in good health and that three of the men in the family are at work in war industries.

Mr. D. Bills sent \$1 from California to the Crossfield and East Community Smokes Fund.

MISS FITZPATRICK JOINS ARMY

Miss Kathleen Fitzpatrick, daughter of Mr. and Mrs. Harry Fitzpatrick of Crossfield has enlisted with the Women's Auxiliary Canadian Army. She is stationed, it is understood, in the office at Currie Barracks in Calgary.

8,300,000 Tons Allied Lost—6,000,000 Axis Tonnage

LONDON, Feb. 24.—Approximately 14,000,000 tons of merchant shipping of all nationalities have been lost through sinkings from the outbreak of the war through 1941, the chamber of shipping of the United Kingdom said today.

During the last six months of 1941, the chamber's annual report said the average monthly sinking of British, Allied and neutral merchant shipping approximated 180,000 gross tons or a total of more than 1,000,000 for the period.

The report gave the total sinking from the war's start through 1941—for United Nations and neutral shipping—as 8,300,000 gross tons. During the same period, enemy losses totalled "not less than 5,000,000 or 6,000,000 tons," the report said.

The United Nations held a great advantage in replacement of tonnage, the chamber's report added, because of the tremendous building program of the United States which provided some 1,000,000 gross tons of deadweight in 1941 and is expected to furnish approximately 18,000,000 tons of new shipping during the next two years.

Easter comes early this year and Postmaster F. Mossop of Crossfield advises that all Easter messages, greetings and parcels to our Armed Forces in the United Kingdom should be mailed without delay—within the week. The approach of Easter always greatly augments the volume of correspondence and parcels, and this year especially with increased numbers of our Forces overseas, the Easter mail will be correspondingly heavier, Mr. Mossop points out.
